Dear Greg,

MATERIAL APPROVAL REQUEST

Further to your submission seeking approval for your items we are pleased to advise you that these items have been approved and are suitable for use on the Ergon Energy Network. This material approval is subject to review with any change in the specification or February 2020, whichever occurs first.

The following items will be added to the approved Supplier / Material List.

Product Description	Your Product Code	Ergon Energy Stock Code	Approval Number
LID, UTILITY PIT, for U/G Body Type P4, Concrete, Marked Electrical Cables.	75990	0168055	9415

Currently we are in the process of updating the Approved Material Supplier List and therefore request you confirm that we have the correct product codes listed for each item.

Regards,

Kim Slater
