

FABRICATION OF STEELWORK, ALUMINIUM AND STAINLESS STEEL PRODUCTS

REGISTERED SUPPLIER CERTIFICATE - *Level 2 – Supplier*

Company:	ACO Polycrete Pty Ltd
Approval Number:	25
Issue Date:	30th August 2011
Expiry Date:	30th August 2012

Minor Bridge Infrastructure Registered Products:	
<u>Miscellaneous</u>	Pit Covers to MRTS91

1. The above supplier is accepted as a registered fabricator of steelwork, aluminium and stainless steel. Registration is only valid for products listed. Separate approval is required for coating other than hot dip galvanized for steel and anodizing of aluminium
2. This Certificate is valid from the current date of issue to the expiry date. Registration will be reviewed before expiry of this certificate or earlier if unsatisfactory performance is reported taking into account compliance with relevant Transport and Main Roads specifications.
3. A Supplier's approval will expire if a Transport and Main Roads project has not been carried out within the period of registration. An audit is required for re-registration before a contract can be awarded.
4. The Department of Transport and Main Roads may elect to de-register a fabricator from the approved suppliers list if they do not supply product to the Queensland Government for a period of 12 months.
